The financial impact of COVID-19 requires us to **make sacrifices**, while maintaining the critical services our residents expect and protecting our most vulnerable neighbors.

We have already taken steps to **reduce spending** in the current (2020) fiscal year by implementing a hiring and spending freeze across government.

In our FY 2021 budget proposal, we are finding ways to **save resources** so that we don’t lose ground on our shared progress in the District and maintain our DC Values.

**Everybody will need to give something**
Our Challenge:

To maintain our most important programs and services even though we have more residents, more businesses, more students, more seniors and fewer resources.

- We must continue to **protect the health** of our residents
- We must **pay for new students** entering our schools
- We must cover the **rising costs of healthcare** for our most vulnerable
- We must **ensure the safety of our communities**
- We must maintain our **commitment to affordable housing**; and
- We must **support our residents and businesses that have been impacted by COVID-19**

How Did DC Close the Gaps?

**FY 2020**

- Made $190M in reductions to agency budgets, mostly through the hiring and spending freeze
- Shifted $214M in eligible local funds onto the state COVID fund
- Used $267M in prior-year surpluses (including PAYGO) and other financial tools to balance the rest

**FY 2021**

- Made $166M in reductions to agency budgets, including cutting all pay increases
- Shifted $38M of eligible expenses onto the state COVID fund
- Used $213M in Fiscal Stabilization Reserves & $320M in prior-year surpluses, including PAYGO & HPTF

**ADDITIONAL INVESTMENTS IN FY 2020**

In addition to reductions in FY 2020, we also provided $80M in increases for union pay agreements, District leases, and other commitments, including meeting increased need for housing assistance, schools, and Medicaid.
Despite the financial challenges we face, we still were able to keep significant investments in core services, including:

- **Nutrition**
- **Health & Wellness**
- **In-Home Support**

We are leveraging federal resources to allow us to both respond to the needs of the immediate COVID-19 public health crisis & continue to invest in our District seniors, adults with disabilities, and caregivers.

FY 2021 PROPOSED BUDGET AND FINANCIAL PLAN
COVID-19 Response

- **Home-delivered meals.** DACL increased its meal delivery by close to 200% and continues to serve more than 6,400 District seniors, and growing. DACL has delivered more than 300,000 meals to seniors, to date.
- **Launch of DACL’s “call and talk” line.** DACL provides a friendly voice and conversation to those in need of a connection.
- **Regular confidential wellness and reassurance calls.** Participants in DACL-funded programs and services are receiving daily calls from our service providers to ensure their wellbeing.
- **Mailings to seniors.** DACL is planning two big mailings this fiscal year to seniors to make them aware of DACL and city services with support from the Mayor’s Office.
- **Technology for seniors.** DACL, in partnership with OCTO and DHCF, will be launching a technology connection program for qualifying seniors to connect with telehealth and other online resources.
Continued Financial Commitments in FY 21

Mayor’s commitment to seniors remains strong and includes significant investments, including:

- **$5M** investment in Safe at Home
- **$11.4M** to open a new senior wellness site in Ward 8 by 2022
- **$35.5M** to open a new therapeutic center for caregivers
- **$1.5M** to complete expansion of Ward 5 & 8 Senior Wellness Centers
- **$1.9M** to provide transportation for essential medical trips such as dialysis and cancer treatments

Programs are adapting to our current landscape.

**Nutrition**
- Continue to provide nutritional support and access to healthy meals
- Meal delivery, education, counseling

**Health & Wellness**
- Deliver innovative programs to keep seniors engaged and active, and combat senior isolation
- Senior Villages, LGBTQ, and Satellite Wellness

**In-Home and Community-Based Support**
- Provide services and supports to promote community living
- Case management and in-home support
What Changes in FY 21?

Adult Protective Services
$1.8M for APS allocated to DACL’s local budget to reflect permanent transfer from DHS.

10 Year Senior Strategic Plan
The plan will be postponed to prioritize critical services for the community.

Internal Agency Savings
Hiring and spending freeze and agency reductions that will not impact programs or services.

Safe at Home Cost Share
Elimination of Cost-Share component due to low demand.
