

SAFE AT HOME

Call 202-724-5626

for information on eligibility requirements and how you can apply for the program.

The Department of Aging and Community Living's Safe at Home program provides in-home preventative adaptations to reduce the risk of falls for District residents age 60 and older and adults with disabilities.

This may include handrails, grab bars, bathtub cuts, shower seats, and stair lifts.

Income Qualifications

A maximum of \$79,700 annually for an individual or \$91,050 for a married couple.

*In January 2023, Mayor Muriel Bowser announced the expansion of **Safe at Home 2.0**, covering medication review, vision screenings, and balance/strength training for current Safe at Home participants who meet criteria for being at the highest risk of continued falls. Please note, Safe at Home 2.0 is a pilot program and can only be provided to a limited number of participants already enrolled in Safe at Home.*

NOTE: All applicants may not qualify for the **Safe at Home** program. Applicants who do not qualify may receive referrals to other programs better suited for their specific needs.

Referrals to other programs are not a guarantee of eligibility.
