SAFE AT HOME

The Department of Aging and Community Living's **Safe at Home** program makes homes and communities safer for District residents, age 60 and over, and adults with disabilities.

Safe at Home provides in-home preventative adaptions to reduce the risk of falls, such as:

- Handrails
- Grab bars
- Bathtub cuts
- Shower seats
- Furniture risers
- Chair lifts

Safe at Home may provide eligible income-qualifying residents with a private security camera system at no cost.
